Career Objective

- To secure a position where I can efficiently contribute my skills and abilities to the growth of the organization and build my professional career.
- I am eager to contribute to building highly reliable and scalable products in a collaborative fast Paced environment while expanding my skill set and embracing new technologies.

Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Duration
B.Tech.(AI&DS)	Seshadri Rao Gudlavalleru Engineering College	8.40	2021-2025
Intermediate	Board of Intermediate Education AP	95.5%	2019-2021
SSC	Andhra Pradesh Board of Secondary Education	9.7	2018-2019

Skills

- **Programming:** C, Python, Java
- **Web Technologies:** HTML, CSS, Basics of Java Script,php
- **Databases :** SQL, MongoDB

Projects

- Made a Project on **Smart Kart using RFID technology**.
 - A smart card utilizing RFID technology is a powerful tool that combines the benefits of a traditional plastic card with the ability to wirelessly store and transmit data. Overall, RFID technology transforms traditional shopping carts into smart, connected devices that not only improve operational efficiency .
- Made a Project on Image to Recipe Transfer System Using Machine Learning and Deep Learning.

Workshops and Technical Participation

- Engaged in a Salesforce workshop at SRGEC facilitated by Smart Bridge.
- Participated in VRSEC STARTUP Conclave.
- Worked in Generative AI workshop at Seshadri Rao Gudlavalleru Engineering College.

Hobbies

- Watching Technological videos.
- Playing Cricket.
- Playing Badminton.

Certifications

- Digital: NPTEL: Introduction to IOT certification.
- Digital: NPTEL: Software Testing certification.
- Digital: edX: Machine Learning with Python: A Practical Introduction.
